

Camp Douglas Wisconsin

Dear Party Sir I writing to I suffer a
disease that the 14th in Washington
in case you make known

W. Broadway, -
Young St. -
and in Roe St. and
Lower St. all along the way
Mr. & Mrs. New York with us
in the afternoon but he had not
time and give their charge for the 14,1975 and came
down to the City Park Reserve and
got over 1000 or 1100 fish
and 400 tree frogs
& to Kent, 1000 but
the weather was so bad and the water so
foggy so if she got my supper I went out
and bought a fence and went around the City
and often went back & got my dinner
at 800 on Franklin and went down to City Hall
and I saw him there & then I thought let
me from there & took it. But I sign up now
I am back to George Capitol
I expect to be up in until 10 P.M.
I am on the 8th & that is all I have to do
but as he has been to California with that
~~left~~
and the last time we went to California
was at 87, at which the next 700
went down by train, sea boat over
and the boat to Los Angeles and
one side by side to the front door of
the boat to another to me and I
was with Miss Gifford

platform and went up the dome which
is about one hundred feet tall & will be two
hundred feet when the dome is built up around it.
We got to the roof and then we went through a
ladder from there on the roof and then we
walked today and were up on board to the
dome and I cleaned up there and got
some time to consider what was in
a lot of the big we could see all round
it was also very cold for snow /
Mr. Livingston he is an
American & Alexander from Ten Cent
Steam Boat for the Boys and
then the

got to Philadelphia the Sunday of
the 10th for me and it did not go
so as to make writing. - I say
I have to eat the skins today - because there
Philadelphia is the nicest place & I am fed
they gave me over supper which did not
exist & I have to take off my coat & hat
loaded with bags & I have to be very
handy with my & let that I shook hands
a thousand miles and have not one of them
you come right up and here -
those hands with me the people wanted me
to stop over night but the conductor
wouldnt let us the dogs bags, so when
it's over to you in going to do
as a man we must be ready to be
as we have the car one hand. like this in it
then how I offer a hand up
